Enhancing East Midlands Businesses and Communities

East Midlands Chamber connects, supports and champions businesses and communities across Derbyshire, Leicestershire and Nottinghamshire. As a member you will be aligning your business with the UK's largest Chamber and the leading business representation organisation in the Midlands, with over 4,100 business members.

You will be at the forefront of the East Midlands business community, helping to influence its future and development, as well as enjoying a host of exclusive benefits.

Is Membership for me?

Chamber membership is a worthwhile investment for businesses at all stages of their lifecycle and from all sectors. Our current membership base ranges from the likes of Amazon and Rolls Royce right through to local businesses.

With membership packages starting from less than £1 per day, there are options to suit all businesses and budgets.

From under
per day

£1

Membership

Gain exclusive access to thousands of businesses, through member networks, forums and events. Expert helplines, support services, resources and PR opportunities. Discounts for charities and not-for-profit organisations.
